- My wife yelled at me when I tried to clean the countertop while she was cooking. In my defense, I was only trying to be counterproductive.
- "Rumors is the nickname I gave to my girlfriend's legs", said the guy who will most likely not be spreading rumors anytime soon.
- I love sitting next to a homeless person on the subway. That way I can fart and not worry about people looking at me when it smells.
- To celebrate equality, I plan on mixing a glass of chocolate and white MILK together on MLK Day [#GotMLK?](#)
